Floral Decorations.

Directed by the artistic taste of Brother Otto F. Ernst in floral decorations, the beauty of the rooms was further emanced by the effective use of cut flowers, flowering potted plants, ferns and palms in the halls and various rooms. In the main hall in front of the large pier glass a very rich effect was obtained with a heavy chain of deep red carnation draped from top to bottom of the mirror, with Easter lilles, red azaleas, spiraea, palms and ferns bunked at the base. Directly across the hall was a lovely cluster of red roses, arranged in pyramid form.

HEAD SOLID MASS OF HUMOR

"I think the Cuticura Remedies are the best remedies for eczema I have ever heard of. My mother had a child who had a rash on its head when it was real young. Doctor called it baby rash. He gave us medicine, but it did no good. In a few days, the head was a solid mass, a running sore. It was awful, the child cried continually. We had to hold him and watch him to keep him from scratching the sore. His suffering was dreadful. At last we remembered Cuticura Remedies. We got a dollar bottle of Cuticura Resolvent, a box of Cuticura Cuticura Resolvent, a box of Cuticura Cuticura Resolvent, and a bar of Cuticura Soap. We gave the Resolvent as directed, washed the head with the Cuticura Soap, and applied the Cuticura Clintment. We had not used half before the child's head was clear and free from eezema, and it has never come back again. His head was healthy and he had a heautiful head of hair. I think the Cuticura Clintment very good for the hair. It makes the hair grow and prevents falling hair." (Signed) Mrs. Francis Lund, Plain City, Utain, Sept. 19, 1910.
